- 13) The Notice of the Annual General Meeting and Annual Report of the Company for the year ended **31st March, 2025** is uploaded on the Company's website www.kanel.in and may be accessed by the members.

KANEL INDUSTRIES LIMITED

- 14) Members are requested to register their email IDs with the Company and encourage paper free communications. The Company would send its annual reports and other communications to the members on their registered email IDs. The shareholders may register their email IDs with the Company's Registrar and Share Transfer Agent, **Purva Shareregistry (India) Pvt. Ltd**, Unit no. 9 Shiv Shakti Ind. Estt, J .R. Boricha Marg, Lower Parel (E), Mumbai, Maharashtra, 400011.
- 15) Electronic copy of the Notice of the Annual General Meeting of the Company inter alia indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent to all the members whose email IDs are registered with the Company / Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same.

16) Voting through electronic means:

In terms of the provisions of Section 108 of the Companies Act, 2013 read with Companies (Management and Administration) Rules, 2014 as amended from time to time and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is providing to the members facility of voting by electronic means in respect of businesses to be transacted at the Meeting which includes remote e-voting (i.e. voting electronically from a place other than the venue of the Meeting). The Company also proposes to provide the option of voting by means of poll paper at the venue of Meeting in addition to the remote electronic voting mentioned above. The Company has engaged the services of National Securities Depository Limited (NSDL) for facilitating voting by electronic means.

The facility for voting through poll paper shall also be made available at the meeting and members attending the meeting who have not already cast their vote by remote e-voting shall be able to exercise their right at the meeting. The members who have cast their vote by remote e-voting prior to the meeting may also attend the meeting but shall not be entitled to cast their vote again. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote. The voting rights of Members shall be in the proportion of their shareholding in the Company as on Cut-off Date.

The Company has appointed Mr. Malay Truptesh Desai of M/s. Malay Desai & Associates, Practicing Company Secretary, Ahmedabad, as the Scrutinizer, to scrutinize the entire voting process including remote e-Voting in a fair and transparent manner.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER:

The remote e-voting period begins on Saturday, 27th September 2025 at 09:00 a.m. and ends on Monday, 29th September 2025 at 05:00 p.m. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. Tuesday September 23, 2025, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being Tuesday September 23, 2025.

- (i) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders'

KANEL INDUSTRIES LIMITED

resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

The Company was earlier engaged in the business of Edible and Non-Edible Oil However, in the recent past, the Company did not perform well and underwent insolvency resolution. The Board of Directors of the Company propose to engage in other viable new business. It is therefore proposed to

KANEL INDUSTRIES LIMITED

amend the main Objects of the Company by deleting the existing clauses and inserting the following new clauses in place of the same:

1. *"To identify, develop, plan, devise, design, promote, set up, execute, own, organise, operate, run, manage, administer, modernise, expand, build, construct, erect, alter, improve, remodel, decorate, furnish, occupy, hold, control, maintain, transfer, buy, sell, lease or let-on-hire all types, kind and forms of any industrial, residential or commercial plots, buildings, structures, projects, plans or ventures in India or anywhere in the world; and to manage, support or render all required services for fulfillment of such objects or implementation and running of such projects, plans or ventures.*
2. *To carry on the business of manufacture, produce, buy, sell, resell, import, export, transport, store, develop, promote, market, supply, trade or otherwise deal in any manner whatsoever in all type of foods or consumer, commercial, industrial or house hold products or any other goods or materials on retail as well as on wholesale basis in India or anywhere in the world."*

The proposed change in the Object Clause will enable the Company to diversify its business operations, explore new revenue streams, and enhance shareholder value.

None of the directors or key managerial persons of the Company or their relatives are deemed to be concerned or interested in the said resolution.

The Board recommends the Resolution set out at Item No. 4 of the notice for approval by the members.

Item: 5 & 6:

Keeping in view the Company's long term strategic and business objectives, the Company may need additional funds. For this purpose, the Company may, from time to time, raise finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which, together with the monies already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and free reserves of the Company. Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any time except with the consent of the members of the Company in a general meeting.

In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. The Board of Directors also seek approval to sell, lease or dispose of all or any properties of the Company, if found feasible which would enable the Company to deploy the proceeds out of such sale, lease or disposal for any other profitable business. Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting.

KANEL INDUSTRIES LIMITED

None of the directors or key managerial persons of the Company or their relatives are deemed to be concerned or interested in the said resolution. Except granting of loans etc. to the entities, where they Interested.

The above proposal is in the interest of the Company and the Board recommends the Resolution as set out at Item No. 5 & 6 for approval by the members of the Company

Item: 7:

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment in other bodies corporate or granting loans, giving guarantee or providing security to other persons or other body corporate as and when required. Members may note that pursuant to Section 186 of the Companies Act, 2013 ("Act"), the Company can give loan or give any guarantee or provide security in connection with a loan to any other body corporate or person and acquire securities of any other body corporate, in excess of 60% of its paid up share capital, free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is more, with approval of Members by special resolution passed at the general meeting In view of the aforesaid, it is proposed to take approval under Section 186 of the Companies Act, 2013, by way of special resolution, up to a limit of Rs. 50 Crores, as proposed in the Notice.

None of the directors or key managerial persons of the Company or their relatives except Mr. Keyoor Bakshi and Mr. Harshit Kachchhi are deemed to be concerned or interested in the said resolution. Mr. Keyoor Bakshi and Mr. Harshit Kachchhi would be interested in the resolution to the extent of granting of loans etc. to or making investment in the entities where they Interested.

The above proposal is in the interest of the Company and the Board recommends the Resolution as set out at Item No. 7 for approval by the members of the Company

Item: 8:

Pursuant to Section 185 of the Companies Act, 2013 ("the Act"), a Company may advance any loan including any loan represented by book debt, or give any guarantee or provide any security in connection with any loan taken by any entity (said entity(ies) covered under the category of 'a person in whom any of the director of the Company is interested' as specified in the explanation to Section 185(2)(b) of the Companies Act, 2013, after passing a Special Resolution in the general meeting. It is proposed to make loan(s) including loan represented by way of Book Debt to, and/or give guarantee(s) and/or provide security(ies) in connection with any loan taken/to be taken by the Subsidiary Companies or Associate or Joint Venture or group entity or any other person in whom any of the Director of the Company is deemed to be interested as specified in the explanation to Section 185(2)(b) of the Act (collectively referred to as the "Entities"), from time to time, for the purpose of capital expenditure of the projects and/or working capital requirements including purchase of fixed assets as may be required from time to time for its principal business activities and other matters connected and incidental thereto, within the limits as mentioned in the Item no. 7 of the notice.

The members may note that Board of Directors would carefully evaluate the proposals and provide

KANEL INDUSTRIES LIMITED

such loan, guarantee or security through deployment of funds out of internal resources/accruals and/or any other appropriate sources, from time to time, and the proposed loan shall be at such rate of interest as agreed by the parties in the best interest of the Company and shall be used by the borrowing company for its principal business activities only.

None of the directors or key managerial persons of the Company or their relatives except Mr. Keyoor Bakshi and Mr. Harshit Kachchhi are deemed to be concerned or interested in the said resolution. Mr. Keyoor Bakshi and Mr. Harshit Kachchhi would be interested in the resolution to the extent of granting of loans etc. to the entities where they Interested.

The Board of Directors recommend the resolution set forth in Item no. 8 of the notice for your approval as a Special Resolution.

Item: 9:

Pursuant to the provisions of Section 188 of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014, the Related Party Transactions as mentioned in clause (a) to (g) of the said section requires a Company to obtain approval of the Board of Directors and subsequently the Shareholders of the Company by way of ordinary resolution in case the value of the Related Party Transactions exceed the stipulated thresholds prescribed in Rule 15 of the said Rules and transactions other than in ordinary course of business and on arm's length basis.

The details of the Related Party Transactions as required under the Section 188 of the Companies Act, 2013 & the Companies (Meeting of Board and its Powers) Rules; Regulation 23 of the SEBI (LODR Regulations, 2015; and the SEBI Master Circular No.:- SEBI/HO/CFD/PoD2/CIR/P/2023/120 dated 11th July, 2023 proposed to be entered in to during the period of three years commencing from 1st October, 2025 are given in the following Table:-

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. INDUSTRY STRUCTURE AND DEVELOPMENT:

Our company was earlier in the business of trading into edible and non-edible oils. However the company was out of Business for a longtime and underwent insolvency resolution during the Financial Year. Our Company was performing activity of bulk trading of cottonseed oil, groundnut oil, sunflower oil, palmolein oil and soyabean oil. However major part of India's Edible Oil demand has been supported by equivalent increase in imports. Since 2012-13, out of the 6 mn tons of incremental demand has parallelly seen 5 mn tons of import increment. Indian edible oil import has grown at 8.4% CAGR over last decade. Palm oil has been the main edible oil imported in India. Off lately, Soybean oil imports have also increased sharply. Vegetable oils form over half of the total Agricultural import in India. Despite being the 5th largest oilseed crop producing country in the world, India is also one of the largest importers of vegetable oils today.

2. OPPORTUNITIES AND THREAT:

Opportunities:

India is a potential market for edible oils because of its domestic consumption. However, the deficit between production and consumption of edible oils is increasing rapidly, even after importing millions of tonnes of oil. The government should increase the oilseed production and solve the problems faced by the edible oil market.

For edible oil market, there can be major market opportunities in the recent time because the paradigm of health concern for a growing number of Indian consumers has largely shifted.

The oil seed cultivation needs to be promoted to under-utilized farming locations such as the eastern India, where more than 15 million hectares under low land rice is one of the opportunities for increasing the area under oilseeds. The inter cropping technique can be used in nearly 45 million hectares under widely spaced crops like sugarcane, maize, cotton etc. Extending oilseed cultivation to under-utilized farming locations such as the rice fallows of eastern India and in some coastal regions, where more than 15 million hectares under low land rice is one of the opportunities for increasing the area under oilseeds.

Threats:

Changes in external environmental also may present threats to the firm. Such threats may include:

- Shifts in customer tastes away from the Company's products
- Emergence of substitute products
- New regulations

KANEL INDUSTRIES LIMITED

- Increased trade barriers
- Production situation
- System constraints in public sector transfer of oilseed technology
- Processing situation

3. RISK, CONCERNS AND THREATS:

The annual oilseed production of the country is faced with high degree of variation as nearly 76% of the oilseeds area is under rainfed conditions and therefore subjected to uncertainties of moisture availability. Availability of quality seeds of improved varieties and hybrids is grossly inadequate and is one of the major constraints in enhancing the oilseed production. The cost of vegetable oil processing in India is very high as compared to the countries like China and USA mainly due to smaller capacities, low technical efficiency and low-capacity utilization. Additional inefficiency arises from non-integration of solvent extraction units with expeller units; As a result, significant amounts of expeller cake are not solvent extracted resulting in considerable losses of oil and meal products. The lack of adequate integration between expelling and solvent extraction units alone is costing the country Rs.2500 crores annually. The fragmentation, low technical efficiency and excess capacity of India's oilseed processing industry are largely the result of regulatory and trade policies followed by the government.

4. INTERNAL CONTROL SYSTEMS AND ITS ADEQUACY:

The Company ensures the safety and protection of its assets by having implemented well defined policies and their implementation in a well efficient manner. The board of the Company is always well informed regarding the operations of the company. The company always ensures the dissemination of information through proper channels in a professional manner. The management takes regular recommendations and advises from the reliable professionals having experience in their fields, in order to efficiently discharge responsibilities by giving hands on facts, details and recommendations concerning the activities covered for audit and reviewed by it during the year.

The conclusions of internal audit reports and effectiveness of internal control measures is reviewed by top management and audit committee of the Company.

5. FINANCIAL PERFORMANCE:

A. Standalone Financial Performance:

(i) Net Sales and Other Income:

Income for the year under review Increase from Rs. 0.20 Lakhs to Rs. 0.51 lakhs.

(ii) Expenditure:

The total expenditure decreased from Rs. 24.43 Lakhs to Rs.5.60 Lakhs.

(iii) Profit/Loss for the period:

The company has made a loss of Rs. 5.60 Lakhs against a loss of Rs. 27.23 Lakhs in the previous year.

POLICIES:

A. POLICY ON RELATED PARTY TRANSECTIONS

SCOPE AND PURPOSE OF POLICY

Related party transactions can present a potential or actual conflict of interest which may be against the best interest of the company and its shareholders. Considering the requirements for approval of related party transactions as prescribed under the Companies Act, 2013 ("Act") read with the Rules framed there under and provisions of Regulation 23 of SEBI (LODR) guidelines, our Company has formulated guidelines for identification of related parties and the proper conduct and documentation of all related party transactions.

Also, provisions of Regulation 23 of SEBI (LODR) guidelines require a company to formulate a policy on materiality of related party transactions and dealing with related party transactions. In light of the above, our Company has framed this Policy on Related Party Transactions ("Policy"). This Policy has been adopted by the Board of Directors of the Company based on recommendations of the Audit Committee. Going forward, the Audit Committee would review and amend the Policy, as and when required, subject to the approval of the Board.

OBJECTIVE OF THE POLICY

The objective of this Policy is to set out (a) the materiality thresholds for related party transactions and; (b) the manner of dealing with the transactions between the Company and its related parties based on

KANEL INDUSTRIES LIMITED

the Act, provisions of regulation 23 of SEBI(LODR) guidelines and any other laws and regulations as may be applicable to the Company.

MANNER OF DEALING WITH RELATED PARTY TRANSACTIONS

a. Identification of related parties:

The Company has formulated guidelines for identification and updating the list of related parties as prescribed under Section 2(76) of the Act read with the Rules framed there under and provisions of regulation 23 of SEBI (LODR) guidelines.

b. Identification of related party transactions:

The Company has formulated guidelines for identification of related party transactions in accordance with Section 188 of the Act and provisions of regulation 23 of SEBI (LODR) guidelines.

DISCLOSURES

The Company shall disclose, in the Board's report, transactions prescribed in Section 188(1) of the Act with related parties, which are not in ordinary course of business along with the justification for entering into such transaction.

B. FAMILIARIZATION POLICY FOR INDEPENDENT DIRECTORS

PURPOSE AND OBJECTIVE OF THE POLICY

The Program aims to provide insights into the Company to enable the Independent Directors to understand its business in depth and contribute significantly to the Company.

FAMILIARIZATION AND CONTINUING EDUCATION PROCESS

- The Company through its Managing Director / Executive Director / Key Managerial Personnel conducts programmes / presentations periodically to familiarize the Independent Directors with the strategy, operations and functions of the Company.
- Such programmes/presentations provide an opportunity to the Independent Directors to interact with the Senior Management of the Company and help them to understand the Company's strategy, business model, operations, service and product offerings, markets, organization structure, finance, human resources, technology, quality, facilities and risk management and such other areas as may arise from time to time.
- The programmes/presentations also familiarizes the Independent Directors with their roles, rights and responsibilities.
- When a new Independent Director comes on the Board of the Company, a meeting is arranged with the Chairperson, Managing Director, Chief Financial Officer to discuss the functioning of the Board and the nature of the operation of the Company's business activities.
- New Independent Directors are provided with copy of latest Annual Report, the Company's Code of Conduct, the Code of Conduct for Prevention of Insider Trading and the Code of Corporate Disclosure Practices, Schedule of upcoming Board and Committee meetings.
- The Company provides the Directors with the tours of company's facilities from time to time.

KANEL INDUSTRIES LIMITED

C. RISK MANAGEMENT POLICY

LEGAL FRAMEWORK

Risk Management is a key aspect of the "Corporate Governance Principles and Code of Conduct" which aims to improvise the governance practices across the Company's activities. Risk management policy and processes will enable the Company to gain new opportunities.

BACKGROUND AND IMPLEMENTATION

The Company is prone to inherent business risks. The objective of Risk Management Policy shall be identification, evaluation, monitoring and minimization of identifiable risks. This policy is in compliance with the provision of regulation 21 of SEBI (LODR) guidelines, which requires the Company to lay down procedure for risk assessment and procedure for risk minimization. The Board of Directors of the Company and the Audit Committee shall periodically review and evaluate the risk management system of the Company so that the management controls the risks through properly defined network. Head of Departments shall be responsible for implementation of the risk management system as may be applicable to their respective areas of functioning and report to the Board and Audit Committee.

COMMITTEE

The Company has not made Risk Management Committee but the Board of Directors & Audit Committee is looking after the Risk Management of the Company.

A. CORPORATE SOCIAL RESPONSIBILITY POLICY

India has introduced several new provisions which change the face of Indian corporate business. One of such new provisions is Corporate Social Responsibility (CSR). As per Section 135 of the Companies Act, 2013, it provides the threshold limit for applicability of the CSR to a Company i.e. (a) networth of the company to be Rs 500 crore or more; (b) turnover of the company to be Rs 1000 crore or more; (c) net profit of the company to be Rs 5 crore or more. Our Company is the Loss making one. So that CSR Policy is Not Applicable to the Company. So any CSR Activities have not been undertaken by the Company & has not made Corporate Responsibility Committee.

B. VIGIL MECHANISM POLICY

LEGAL FRAMEWORK

Section 177 of the Companies Act, 2013 requires every listed company and such class or classes of companies, as may be prescribed to establish a vigil mechanism for the directors and employees to report genuine concerns in such manner as may be prescribed. Provision of regulation 22 of SEBI (LODR) guidelines and the Stock Exchanges, inter alia, provides for a mandatory requirement for all listed companies to establish a mechanism called "Whistle Blower Policy for employees to report to the management instances of unethical behavior, actual or suspected, fraud or violation of the company's code of conduct.

POLICY

In compliance of the above requirements, Kanel Industries Limited, being a Listed Company has established a Vigil (Whistle Blower) Mechanism and formulated a Policy in order to provide a framework for responsible and secure whistle blowing/vigil mechanism. The Vigil (Whistle Blower) Mechanism aims to provide a channel to the Directors and employees to report genuine concerns about unethical behavior, actual or suspected fraud or violation of the Codes of Conduct or policy. The

KANEL INDUSTRIES LIMITED

Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations and in order to maintain these standards, the Company encourages its employees who have genuine concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment. The mechanism provides for adequate safeguards against victimization of Directors and employees to avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in exceptional cases. This neither releases employees from their duty of confidentiality in the course of their work nor can it be used as a route for raising malicious or unfounded allegations about a personal situation.

SEXUAL HARASSMENT OF WOMEN AT WORK PLACE (POLICY WHERE MORE THAN 4 WOMEN WORKING) AND ELIMINATION OF CHILD LABOUR POLICY.

The Company is not employing more than 4 women employees as well as the Company is not employing any child labor. So these both policies are not applicable to the Company.

Independent Auditor's Report

To
The Members of
KANEL INDUSTRIES LIMITED

Report on the audit of the Standalone Financial Statements

Opinion

1. I have audited the accompanying Ind AS standalone financial statements of **KANEL INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2025, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information ("the Financial Statements").
2. In my opinion and to the best of my information and according to the explanations given to me, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, and its loss and other comprehensive income, changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. I conducted my audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. My responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to my audit of the Financial Statements under the provisions of the Act, and the rules thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on the Financial Statements.

Key Audit Matters

4. Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the Financial Statements of the current year. These matters were addressed in the context of my audit of the Financial Statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

A. Approval of Resolution Plan:

The National Company Law Tribunal (NCLT), Ahmedabad Bench, vide its order under Section 30(6) read with Section 31(1) of the Insolvency and Bankruptcy Code, 2016 and Regulation 39(4) of the IBBI (Insolvency Resolution Process for Corporate Persons) Regulations, 2016, has approved a Resolution Plan submitted for the Company.

The Resolution Plan inter alia provides for:

- a) waiver of liabilities by secured and unsecured creditors,
- b) partial debt restructuring including conversion of loan into equity shares,
- c) cancellation of certain equity shares,
- d) revaluation of fixed assets at fair market value, and
- e) writing off losses relating to current assets and investments.

The Company has accounted for the above impacts in accordance with the approved Resolution Plan, applicable requirements of Ind AS and the NCLT order. These transactions are significant in terms of their size and nature, and required considerable audit attention due to the complexity of accounting, judgments involved in valuation and classification, and extensive disclosures.

Auditor's Response:

My audit procedures included, among others:

- a) Reading and evaluating the NCLT Order approving the Resolution Plan;
- b) Assessing management's process for implementing the accounting effects of the Resolution Plan;
- c) Evaluating the appropriateness of accounting treatment for waiver of liabilities, restructuring of borrowings, issue of equity shares, cancellation of shares and write-off of current assets and investments in accordance with applicable Ind AS;
- d) Assessing the basis of revaluation of fixed assets including involvement of independent valuer and assumptions used;
- e) Verifying necessary approvals, resolutions and supporting documentation relating to the implementation of the Resolution Plan; and
- f) Evaluating the adequacy of related disclosures made in Note 49 of the financial statements.

Based on the above procedures, I found management's accounting and disclosures in respect of the Resolution Plan to be reasonable and in accordance with the applicable financial reporting framework.

B. Revaluation of Assets:

I draw attention to Note 49 of the financial statements, which describes that, pursuant to approval of the Resolution Plan by the Hon'ble NCLT, Ahmedabad Bench, the Company has revalued its fixed assets at fair value based on valuation carried out by an independent valuer. The resultant revaluation impact has been accounted for in the books of account in accordance with the Resolution Plan and applicable Ind AS. My opinion is not modified in respect of this matter.

Auditor's Response:

In addressing the above Key Audit Matter, my procedures included, among others:

- a) Understanding and evaluating the terms of the approved Resolution Plan with respect to revaluation of fixed assets.
- b) Assessing the competence, independence and objectivity of the independent valuer engaged by the Company.
- c) Evaluating the valuation methodology, assumptions and inputs adopted by the valuer for reasonableness and consistency with Ind AS 16 requirements.
- d) Reconciling the revalued amounts with the valuation report and ensuring appropriate accounting treatment of the resultant revaluation reserve in the books of account.
- e) Reviewing disclosures made in the financial statements, particularly Note 49, for compliance with Ind AS and Schedule III requirements.

Based on the procedures performed, we found the management's accounting and disclosure for revaluation of fixed assets to be reasonable and in line with the applicable financial reporting framework.

C. Conversion on Loan into Equity:

The Hon'ble National Company Law Tribunal (NCLT), Ahmedabad Bench, vide its order under Section 30(6) of the Insolvency and Bankruptcy Code, 2016 read with Regulation 39(4) of IBBI (Insolvency Resolution Process for Corporate Persons) Regulations, 2016, approved the Resolution Plan of the Company. The Resolution Plan inter alia provided for:

- a) Waiver of secured and unsecured debt aggregating to ₹1575.84 lakhs;
- b) Conversion of balance debt of ₹1496.25 lakhs into 1,49,62,500 equity shares of ₹10 each at par; and
- c) Extinguishment of existing liabilities in accordance with the approved Resolution Plan.

The accounting treatment of waiver of debt and conversion of debt into equity has been carried out in accordance with the provisions of applicable Ind AS, particularly Ind AS 32 *Financial Instruments: Presentation*, Ind AS 109 *Financial Instruments* and Ind AS 107 *Financial Instruments: Disclosures*.

Given the materiality of the transaction and significant impact on the financial statements, this matter has been identified as a Key Audit Matter.

Auditor's Response:

I have performed the following audit procedures:

- a) Verified the NCLT order approving the Resolution Plan.
- b) Evaluated the accounting treatment of waiver of debt and debt-to-equity conversion with reference to Ind AS 32/109 requirements.
- c) Checked the computation of equity shares issued against the converted debt.
- d) Ensured appropriate disclosure has been made in the Notes to Accounts (Refer Note 49).
- e) Based on the above procedures, I found the accounting and disclosure of debt waiver and debt-to-equity conversion to be appropriate.

Other Information

5. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Financial Statements and my auditors' report thereon.
6. My opinion on the Financial Statements does not cover the other information and I do not express any form of assurance conclusion thereon.
7. In connection with my audit of the Financial Statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information; I am required to report that fact. I have nothing to report in this regard.

Management's responsibility for the Financial Statements

8. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Financial Statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards ("Ind AS") specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

9. In preparing the Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Financial Statements

11. My objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
12. As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:
 - 12.1. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - 12.2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) the Act, I am also responsible for expressing my opinion on whether the Company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
 - 12.3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - 12.4. Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify my opinion. The company has suffered huge losses in past and its net worth has been eroded. The management has produced detailed plan for revival. This includes efforts to increase sales and cash flow, negotiations with the banking institution of finance and redrafting of its credit policy. Company

has not incurred cash loss in the current year. The profitability shows upward trend. This evidence justifies management's conclusion of company's ability to continue as going concern. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- 12.5. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
14. I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the Financial Statements of the current year and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

16. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, I give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
17. As required by Section 143(3) of the Act, I report that:
- 17.1. I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.
- 17.2. In my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books for the matters stated in the paragraph 18.8 below, on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- 17.3. The balance sheet, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the cash flow statement dealt with by this Report are in agreement with the books of account.

- 17.4. In my opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act.
- 17.5. On the basis of the written representations received from the directors as on 31 March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- 17.6. With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to my separate Report on internal financials control over financials reporting as per **Annexure-2**; and
- 17.7. In my opinion and according to the information and explanations given to me, Company has not paid remuneration to directors.
- 17.8. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 17.2 above on reporting under section 143(3)(b) of the Act and paragraph 18.8 below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
18. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in my opinion and to the best of my information and according to the explanations given to me:
- 18.1. The Company does not have any pending litigations which would impact its financial position.
- 18.2. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- 18.3. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- 18.4. The management has represented that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by me, nothing has come to my notice that such representation contains any material misstatement.
- 18.5. The management has represented that no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any

guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by me, nothing has come to my notice that such representation contains any material misstatement.

- 18.6. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to my notice that has caused me to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- 18.7. In my opinion and according to the information and explanations given to me, no dividend has been declared and / or paid during the year by the Company.
- 18.8. Based on my examination which included test checks and information given to me, the Company has used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility throughout the year for all relevant transactions recorded in the respective software, Further, during the course of my audit I did not come across any instance of audit trail feature being tampered with.

Further, the audit trail, to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

- b. The Company has maintained proper records showing full particulars of intangible assets.
- c. As per the information and explanations given to me, all the assets have been physically verified by the management during the year and there is a regular program of verification which, in my opinion, is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies are noticed on such verification.
- d. The title deeds of all the immovable properties disclosed in the financial statements are held in the name of the company.
- e. No proceedings were initiated/not pending against the company for holding Benami properties under the "Benami Transactions (Prohibition) Act, 1988 and Rules" made there under.
- f. The Company has revalued its fixed assets at fair value based on valuation carried out by an independent valuer. The revaluation was carried out pursuant to approval of the Resolution Plan by the Hon'ble NCLT, Ahmedabad Bench.

The details of the revaluation are as under:

(Rs. In Lakhs)

Particulars	Book Value (₹)	Revised Value (₹)	Increase on Revaluation (₹)
Freehold Land	37.97	1460.45	14224.49
Factory Building	08.09	10.00	01.91
Office Building	08.00	173.00	165.00
Office Equipment	00.26	00.26	—
Total	54.32	1643.71	1589.39

The net increase on account of revaluation amounting to ₹1589.39 lakhs has been credited to **Other Comprehensive Income (OCI)** and accumulated under **Revaluation Reserve** in Equity in accordance with Ind AS requirements.

II. In respect of Inventory:

- a. The Company does not have inventories and thus this reporting clause is not applicable.
- b. The company has not been sanctioned working capital limits in excess of five crore rupees at any point of time during the year accordingly this clause is not applicable to the company.
- c. Based on information and explanations provided to us, the Company had defaulted in repayment of borrowings prior to commencement of the Corporate Insolvency Resolution

Process (CIRP). Pursuant to approval of the Resolution Plan by the Hon'ble NCLT, Ahmedabad Bench, certain secured and unsecured borrowings have been waived/settled and part of the debt has been converted into equity shares in accordance with the approved plan.

- d. As part of implementation of the Resolution Plan, the Company has written off certain current assets, including investments and trade receivables, which were not recoverable. These write-offs have been accounted for as per the Resolution Plan approved by the Hon'ble NCLT.
 - e. Consequently, the outstanding borrowings as at the Balance Sheet date are in line with the terms of the approved Resolution Plan and no further defaults in repayment were observed during the year.
- III. The Company has not made investments in, provided guarantee or security and granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Thus, this reporting clause is not applicable.
- IV. The Company has not granted loans or provided guarantees or securities to parties covered under Section 185 of the Companies Act, 2013 ("the Act"). The Company has complied with the provisions of section 186 of the Act in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- V. According to the information and explanation given to me, the Company has not accepted any deposits from the public in accordance with the provisions of Section 73 to 76 of the Act or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable to the company.
- VI. According to the information and explanation given to me, the maintenance of cost records under sub-section 1 of section 148 of the Companies Act 2013 is not mandatory to the company.
- VII. a. According to the records of the Company and information and explanations given to me, the Company was generally not regular in depositing undisputed statutory dues including Goods and Services Tax, Value Added Tax, Sales Tax, and other statutory dues with the appropriate authorities prior to the commencement of the Corporate Insolvency Resolution Process (CIRP). The Company had certain statutory dues which were disputed and remained unpaid. However, pursuant to the Resolution Plan approved by the Hon'ble National Company Law Tribunal (NCLT), Ahmedabad Bench, vide order dated 23.10.2024, such statutory liabilities have been settled/waived as under:

(Rs. In Lakhs)

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

I have audited the internal financial controls over financial reporting of **KANEL INDUSTRIES LIMITED** ("the Company") as of 31 March, 2025 in conjunction with my audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

A. Corporate Information

KANEL INDUSTRIES LIMITED ("the Company") is a public limited company, incorporated and domiciled in India, having its registered office at 1503, WESTPORT, SINDHU BHAVAN ROAD, NR. S P RING ROAD, AHMEDABAD, SHILAJ, AHMEDABAD, DASKROI, GUJARAT, INDIA, 380059. The equity shares of the Company are listed on BSE Limited. The Company is primarily engaged in the business of Trading of Cotton / Ground nut seeds / castor seeds and Oil.

B. Material Accounting policies

I. Basis of preparation and presentation and Statement of compliance:

These standalone Financial Statements have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 (Act) read with Companies (Indian Accounting Standards) Rules as amended from time to time and Presentation and disclosure requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS Compliant Schedule III) as amended from time to time. The Company follows indirect method prescribed in Ind AS 7 – Statement of Cash Flows for presentation of its cash flows. The Financial Statements have been prepared under historical cost convention basis except for certain financial assets and financial liabilities which have been measured at fair value. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realization in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Standalone Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency. All values are rounded to the Lakhs except otherwise stated. All financial information presented in INR has been rounded off to the nearest two decimals, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

II. Summary of Material Accounting Policies

a) Current and non-current classification:

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is classified as current when it satisfies any of the following criteria: it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle.

It is held primarily for the purpose of being traded non-Current;

- It is expected to be realized within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- All other assets are classified as non-current.

It is held primarily for the purpose of being traded Current

- A liability is classified as current when it satisfies any of the following criteria:
- It is expected to be settled in the Company's normal operating cycle;
- It is held primarily for the purpose of being traded
- It is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.
- All other liabilities are classified as non-current.
- Deferred tax assets and liabilities are classified as non-current only
- The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.
- Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. In case of land the Company has availed historical cost as deemed cost on the date of transition to Ind AS.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

An item of spare parts that meets the definition of 'property, plant and equipment' is recognized as property, plant and equipment.

Capital work in progress is stated at cost and net of accumulated impairment losses, if any. All the direct expenditure related to implementation including incidental expenditure incurred during the period of implementation of a project, till it is commissioned, is accounted as Capital work in progress (CWIP) and after commissioning the same is transferred / allocated to the respective item of property, plant and equipment. Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress.

Pre-operating costs, being indirect in nature, are expensed to the statement of profit and loss as and when incurred.

The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from active use. Losses arising in the case of retirement of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

Depreciation on Property, Plant and Equipment is provided using written down value method on depreciable amount. The depreciation on an item of spare part will begin when the asset is available for use i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. In case of a spare part, as it may be readily available for use, it may be depreciated from the date of purchase of the spare part. However, land is not depreciated. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in respect of the following assets, where useful life is as under:

Assets	Estimated useful life by management
Buildings	28 to 40 Years
Plant and machinery	15 Years
Furniture and fixtures	10 Years
Office equipment	5 Years
Motor Vehicle	10 to 12 Years
Computers end use device	2 to 7 years

Depreciation on additions is calculated on pro rata basis with reference to the date of addition. Depreciation on assets sold/ discarded, during the period, has been provided up to the preceding month of sale / discarded. The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains / (losses).

c) Intangible Asset:

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the company and the cost of the asset can be measured reliably.

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangibles, excluding capitalized development costs, are not capitalized and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The Company assesses if useful life of an intangible asset is finite or indefinite.

d) Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of finished goods, work-in-progress, raw materials, stores and spares, packing materials, trading and other products are determined on first in, first out basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

e) Provisions, Contingent liabilities, Contingent assets and Commitments

General

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liability is disclosed in the case of:

1. A present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
2. A present obligation arising from the past events, when no reliable estimate is possible;
3. A possible obligation arising from the past events, unless the probability of outflow of resources is remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

The company provides for the expenses to reclaim the quarries used for mining. The total estimate of reclamation expenses is apportioned over the estimate of mineral reserves and a provision is made based on the minerals extracted during the year. Mines reclamation expenses are incurred on an ongoing basis and until the closure of the mine. The actual expenses may vary based on the nature of reclamation and the estimate of reclamation expenditure

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

f) Current and Deferred Taxes

The tax expenses for the period comprise of current tax and deferred tax.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on the rates and tax laws enacted or substantively enacted, at the reporting date in the country where the entity operates and generates taxable income. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their corresponding carrying amounts for the financial reporting purposes.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized an asset in accordance with recommendations contained in Guidance Note issued by ICAI, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to an extent there is no longer convincing evidence to the effect that the company will pay normal Income Tax during the specified period.

g) Revenue recognition

Revenue from contract with customers Revenue from contracts with customers is recognized upon transfer of control of promised goods/ products to customers at an amount that reflects the consideration to which the Company expect to be entitled for those goods/ products. To recognize revenues, the Company applies the following five-step approach:

- Identify the contract with a customer,
- Identify the performance obligations in the contract,
- Determine the transaction price,
- Allocate the transaction price to the performance obligations in the contract, and
- Recognize revenues when a performance obligation is satisfied.

Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, related discounts & incentives and volume rebates. It includes excise duty and excludes value added tax/ sales tax/goods and service tax.

Sale of goods – non-cash incentive schemes (deferred revenue)

The company operates a non-cash incentive scheme program where dealers / agents are entitled to non-cash incentives on achievement of sales targets. Revenue related to the non-cash schemes is deferred

and recognized when the targets are achieved. The amount of revenue is based on the realization of the sales targets to the period of scheme defined.

h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that a company incurs in connection with the borrowing of funds.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying asset is deducted from the borrowing costs eligible for capitalization.

i) Employee Benefits

All employee benefits payable wholly within twelve months of rendering services are classified as short-term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered the service entitling them to the contribution.

No benefits have been provided by the Company under the defined benefits plan. Thus, no re measurement comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur

No net defined benefit obligation as an expense has been recognized in the statement of profit and loss:

1. Long-term employee benefits

Post-employment and other employee benefits are recognized as an expense in the statement of profit and loss for the period in which the employee has rendered services. A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

2. Defined contribution plans

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The company has no further payment obligations once the contributions have been paid. Company as not comply with the provisions of Gratuity Plan as required as per INDAS 19.

j) Investment properties

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measure reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized.

There are no Investment Properties in name of Company.

k) Other Investments

The Company carries certain Liquid funds which are registered under SEBI and traded on Stock Market, the said funds are not held for trading. The company has recorded its investment in equity instruments at its acquisition cost.

l) Investment in subsidiaries, joint ventures and associates

Investments in subsidiaries, joint ventures and associates are recognized at cost as per Ind AS 27. Except where investments accounted for at cost shall be accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale.

Company has wholly owned subsidiary.

m) Impairment of non-financial assets

The company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Recoverable amount is determined:

- i. In case of individual asset, at higher of the fair value less cost to sell and value in use; and
- ii. In case of cash-generating unit (a company of assets that generates identified, independent cash flows), at the higher of the cash-generating unit's fair value less cost to sell and the value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation surplus.

n) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.

o) Segment accounting

The Chief Operational Decision Maker monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements.

The Operating segments have been identified on the basis of the nature of products/services.

The accounting policies adopted for segment reporting are in line with the accounting policies of the company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Inter Segment revenue is accounted on the basis of transactions which are primarily determined based on market/fair value factors. Revenue, expenses, assets and liabilities which relate to the company as a whole and are not allocated to segments on a reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

p) Dividend

The final dividend on shares is recorded as a liability on the date of approval by the shareholders. Interim dividends are recorded as a liability on the date of declaration by the Company's Board. Income tax consequences of dividends on financial instruments classified as equity will be recognized according to where the entity originally recognized those past transactions or events that generated distributable profits.

The Company declares and pays dividends in Indian Rupees. Companies are required to pay / distribute dividend after deducting applicable taxes. The remittance of dividends outside India is governed by Indian law on foreign exchange and is also subject to withholding tax at applicable rates.

q) Earnings per share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares have been arrived at, assuming that the proceeds receivable were based on shares having been issued at the average market value of the outstanding shares. In computing dilutive earnings per share, only potential equity shares that are dilutive and that would, if issued, either reduce future earnings per share or increase loss per share, are included.

r) Financial Instruments

a) Financial Assets

Purchase and sale of Financial Assets are recognised using trade date accounting. Trade receivables that do not contain a significant financing component are measured at transaction price.

The Company has elected to account for its investments in subsidiaries, associates and joint venture at cost less impairment loss (if any).

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'. However, dividend on such equity investments are recognised in Statement of Profit and loss when the Company's right to receive payment is established. Further investment in equity instruments that do not have a quoted market price in an active market and whose fair value cannot be measured are quoted at Cost.

Other Financial Assets are generally measured at Fair Value Through Profit or Loss (FVTPL) except where the Company, based on the business model objectives, measures these at Amortized Cost or Fair Value Through Other Comprehensive Income (FVTOCI). Company has made disclosure of measurement method in notes to account.

The Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit or Loss (FVTPL). For Trade Receivables, the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed. For other assets, the Company uses 12-month ECL to provide for impairment loss where there is no significant increase in credit risk.

b) Financial Liabilities:

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts are determined to approximate fair value due to the short maturity of these instruments.

c) Offsetting:

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

C. Use of estimates and judgements

The preparation of the Company's Financial Statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years.

In the assessment of the Company, the most significant effects of use of judgments and/or estimates on the amounts recognized in the financial statements are in respect of the following:

- Useful lives of property, plant & equipment;
- Valuation of inventories;
- Measurement of recoverable amounts of assets / cash-generating units;
- Assets and obligations relating to employee benefits;
- Evaluation of recoverability of deferred tax assets; and
- Provisions and Contingencies

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle translation differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively).

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

- Current tax
- Fair valuation of unlisted securities

For estimates relating to fair value of financial instruments refer note to financial statement.

D. Functional and presentation currency:

These standalone financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lakhs, except as stated otherwise.

E. Rounding off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirements of Schedule III, unless otherwise stated.

Recent accounting pronouncements

Recent pronouncements Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1 – Presentation of Financial Statements The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general-purpose financial statements. The Group does not expect this amendment to have any significant impact in its financial statements.

KANEL INDUSTRIES LTD
CIN- L15140GJ1992PLC017024
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON MARCH 31, 2025

Ind AS 12 – Income Taxes The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Group is evaluating the impact, if any, in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty.

The Group does not expect this amendment to have any significant impact in its financial statements.
